

The background of the entire slide is a deep space image. The top half features a dark blue and black sky filled with numerous small, bright stars. A faint, wispy nebula is visible in the center. The bottom half shows a more dramatic scene with a large, glowing nebula in shades of orange, yellow, and green, set against a dark blue background with scattered stars.

# **Artificial Intelligence SPRING 2024 人工智能导论**

Tianyang Xu

徐天阳

Lecture Notes

*Dedicated to those who wish to master anything but ordinary.*

SCHOOL OF ARTIFICIAL INTELLIGENCE AND COMPUTER SCIENCE, JIANGNAN UNIVERSITY  
江南大学人工智能与计算机学院

The involved lecture notes contain introductions for junior students to get familiar with artificial intelligence.

Specifically used as the supporting material for the course *Artificial Intelligence Introductions* in Spring, 2024.

*First release, February 2021*

*Current version, 2023.5.0*
